

PHYSIOTHERAPY ASSOCIATES ANNUAL HIGH SCHOOL PHYSICALS

Every school in the Paradise Valley Unified School District (PVUSD) requires a mandatory annual physical examination in order to participate in any organized athletic program. If you have not completed yours, we will make it easy for you. **Physiotherapy Associates, Arizona Bone and Joint, and The Paradise Valley Unified School District** have partnered up to provide sports physicals, physical therapy, and athletic training to school athletes. Our comprehensive sports physicals include both orthopedic and general examinations performed by a team of orthopedic physicians, general/internal medicine physicians, physical therapists, and certified athletic trainers.

We will be taking appointments 1 month prior to the physical date

SATURDAY May 8, 2010

8:00 AM-2:00 PM

\$30.00 per physical
